from St. Clare

Keeping you abreast of construction updates, event invitations and news in and around St. Clare.

We've reached the top!

In construction parlance, when the highest roof or beam is installed, it's referred to as 'topping out.' Concrete has been poured on the roof of our first building, Chestnut. Jacaranda is not far behind, with the Level 4 (penthouse) structure now in place. Elm building is heading toward Level 2, and Maple building is coming out of the ground, with the structure being formed for Level 1. By Christmas, we expect to be celebrating the completion of all four structures, as we progressively continue the internal fitout of each building.

You can now see construction progress from afar. However, if you would like a close-up view, book a visit to the Display Suite by phoning 03 8595 2444 or [book an appointment online here](#).

Preparing to move

Preparing to move into a brand new home is exciting. For many, it's a chance to update furniture and start afresh. Others enjoy the opportunity to restyle much-loved items into their new apartment. If you're not a logistics whiz, we recommend enlisting support. Professional movers and packing services can do the heavy lifting and help with decluttering. Stylists and interior designers can guide you toward aesthetics that are functional while expressing your personal taste.

The St. Clare team are hosting information sessions exclusively for those who have reserved a residence, to help them with decisions relating to moving. This month, our future residents took design tips and hints from interior architecture firm, Studio Tate.

If you would like to become a resident, please email hello@stclarekew.com.au or visit our website to book a private appointment.

Why retirement living?

Plenty of reasons! According to recent research by the Property Council and Better Housing for Better Health, retirement village residents are:

- 15% more physically active
- 41% happier, and both physically and mentally healthier
- five times more socially active
- 20% less likely to require hospitalisation, after only nine months; and
- avoid 14,000 hospitalisations annually

All excellent reasons to investigate retirement living.

VMCH are proud to present St. Clare, undoubtedly Victoria's most premium precinct, designed exclusively for over 55's. We invite you to book a private tour via our [online booking system](#), or alternatively, please contact us on 03 8595 2444 to book a time ([or click here for email](#))

We look forward to welcoming you.

Yours sincerely
