from St. Clare

Keeping you abreast of construction updates, event invitations and news in and around St. Clare.

Construction powering ahead

Excavation continued onsite throughout February, as the basement of our new retirement community takes shape. The basement provides undercover access to the community facilities from all four buildings at St. Clare, so residents do not need to walk outside in inclement or hot weather.

As we power through the construction program, the period where we can offer minor customisation of apartments, such as additional power outlets, is coming to an end. Available residences are now almost 40% sold, so if you have not taken the opportunity to view the display residence onsite at 6 Studley Park Road, we encourage you to do so now, while you still have a choice of floorplan options. To arrange a visit, phone [8595 2444](tel:85952444) or book an appointment online [here](#).

Garden parties at St. Clare

Late summer afternoons are perfect for sipping champagne, listening to jazz and meeting new people. We are inviting friends of St. Clare to garden parties on the lawn of the display suite in March. Guests will have the opportunity to meet the project team and have their questions answered.

Separate events are being held for those who have already chosen to live at St. Clare and those who are still considering it. If you are interested in joining one of these events, please email hello@stclarekew.com.au to find out more.
