from St. Clare

Keeping you abreast of construction updates, event invitations and news, in and around St. Clare.

## New year, new activity

Happy 2024! We are back in action, with a great deal happening onsite. For those of you following our construction progress, piling continues throughout January, which is the process of drilling foundations through the ground to provide more structural strength to the soil, preparing the ground to carry the weight of the apartments. Importantly, the team are on schedule, so we should avoid weather related delays as winter sets in.

If you would like to find out more, please arrange a visit to our sales suite by phoning 8595 2444 or you can book an appointment online [here](#).

## New faces at St. Clare

Marion Wood and Julie Toomey recently joined Anne Lewis as part of the St. Clare team. Here, we get to know them better.

### St. C: Tell us a bit about yourself

Marion: I emigrated from the UK in 2010. I live on the Mornington Peninsula, I'm married with two grown-up children and one baby (my dog, Ted).

Julie: My husband Andrew and I have two daughters, Nicola and Lilly, both in their 20's. I joined VMCH 18 months ago to work with the residents at St. Joseph's Mews in Hawthorn. Prior to that I worked at Country Road for several years, fulfilling my passion for fashion!

### St. C: Describe your new role at St. Clare

Marion: I'm a Sales Manager at St. Clare, working with the lovely Anne.

Julie: I'm the new Relationship Manager, St. Clare, helping to develop connections with future residents as the precinct is constructed and creating events that start to build our new community.

### St. C: What are you most looking forward to in 2024?

Marion: I'm excited about working at St. Clare with the delightful team that have made me feel so welcome already.

Julie: 2024 will be an exciting year, helping residents to make the transition from their old home to St. Clare as smooth as possible.

## Public transport

We love catching PT over summer! St. Clare is serviced by three bus lines (200, 207 and 302), two train lines (Belgrave and Lilydale) and three tram lines (109, 16 and 48). It's so easy to get to the city for sports or arts events, shopping trips or cocktails without worrying about a designated driver!

Tram into NGV Triennial and the Titanic Artefacts Exhibition at the Melbourne Museum. Or take a short bus trip down Studley Park Road to the Collingwood Children's Farm with the grandchildren.

VMCH are proud to present St. Clare, undoubtedly Victoria's most premium precinct, designed exclusively for over 55's. We invite you to book a private tour via our [online booking system](#), or alternatively, please contact me on 8595 2444 to book a time ([or click here for email](#))

We look forward to welcoming you.

Yours sincerely  
Anne Lewis and Marion Wood
