Blending old with new

Heritage restoration works are commencing, adapting the two beautiful buildings steeped in history to create spaces for our residents to enjoy, while retaining their heritage features. Suspended concrete has been poured on Ground Level over the basement, which marks the beginning of our concierge, café and gym. Façade and joinery elements are now in production under the watchful eye of our Project Lead, Scott McIntosh. You can view progress from the display suite. New faces at St. Clare

This month we welcomed Nicole Dun, Sales Manager, and Sinead Hickey, Sales Assistant, to the St. Clare team. Here, we ask some questions to get to know them better.

St.C: What are your favourite things to do when not working?

Nicole: Dine at Melbourne's best restaurants! Also - travel or have lovely weekends away in nature.

Sinead: I love to spend time with my friends and family. Especially if it's outdoors enjoying nature and being active. But I'm also quite partial to curling up on the couch with my dogs, cup of tea and book in hand. It's all about balance, right!

St.C: What are you looking forward to most about working at St. Clare?

Nicole: So far – I've already loved witnessing the joy people have expressed when joining the St. Clare community. I've felt lucky to be able to be part of their journey, as well as ensuring the transition is as easy and enjoyable as possible. I'm looking forward to continuing to watch St. Clare grow and blossom into a wonderful community.

Sinead: I look forward to meeting with the residents who I have met through working at St. Clare, who have joined the community, and sharing in their favourite things they love to take part in St. Clare once they have settled in.
